EXPERIENCE

• Frontend Web Development (HTML, CSS, JavaScript)

I work with passionate and Couragely manner and gain a best experty in designing and developing a frontend based websites(Static). Specially work on [Figma](#).

• Content Writing

I write a content based Articles, Blogs, Web-Content, Product-Contents, Documentation, Document-Making, Assignment-Writing, Word to pdf Conversion, Presentation-Making.

• MS OFFICE

I have a great command on MS-Office(WORD, EXCEL, POWERPOINT, ACCESS, SWISH MAX, IN PAGE)

• SEO(Search Engine Optimization)

In SEO, I had a terrible experience in SEO.

I complete long self-made projects. I have a knowledge about Black-hat and Grey-Hat SEO.

• Graphic Designing

I have experience to make Logos, Posters, Flex's, Resumes, Facebook Posts, Business Posters and so on.

You can make by me a following above these things.

I make these Things by using best Garphic Softwares Like Photoshop, Adobe Premier , Canva.

• [Ad Running\(Advertising\)](#)

You can contact to me freely about Running Ads, Social-Compaigh, Business-Growing strategies and so on.

I run Ads on social Media and also on Google.

• Tutoring(Teaching)

I started my Teaching Carrier on my early studies.

I teach from Grade:1 to 8.
